| Venue 5 | Meeting Room 2 | 100 | 250 | 120 | 120 |
| Breakaway Rooms | 4 | | | | |

Our Conference Centre equipped with a range of presentation equipment can accommodate up to 300 delegates. A peaceful environment, flexible agendas, friendly personalized service and professionalism dictate our approach. Team building and a diverse range of adventure activities are available and can be tailored to specific requirements

At Cape St. Francis Lifestyle Estate we are sensitive to the dietary requirements of our delegates and understand the importance of discussing the menu to ensure that the catering is to your specification. Breakfast is usually a full English, while lunches are based on a selection of options.

Dinner is time for relaxing and perhaps here more than any other time during the conference, delegates get to know each other. Our braais are very popular but for those who want a more conventional meal, we have a variety of menus from which to choose, accompanied by a superb wine list. Calamari, a speciality of the area, is a favorite dish.

RiverBreak

Adventures

Join us for an unforgettable experience on RiverBreak, an imported luxury barge, designed and licensed to carry up to 12 passengers on the waterways of the Kromme and Geelhout Rivers. RiverBreak activities are tailored to suit the needs of the individual or group with trips ranging from simple 1 hour sunset cruises around the canal systems to a full day excursion up the Kromme or Geelhout Rivers.

Guests have the option of bringing their own refreshments or all catering can be done through the famous Joe Fish Restaurant and prices can be structured to include South African wine, beer and cider. A typical outing would be something like... meet at the small boat harbour on the canals in St Francis Bay.

Board and take a leisurely cruise through the unique and picturesque St Francis Canals with its eye-catching architecture, design and superb system of waterways. Enter the Kromme River. The mountains of the Groot Winterhoek, with the Cockscomb prominent, form a splendid back-drop in many shades of blue and purple. At the confluence of the Kromme and Geelhout rivers, proceed up the unspoilt Geelhout with its abundant wildlife.

This river system forms part of a conservancy and is a haven for birds and animals. Fish Eagle, Kingfisher, Drongo, Oystercatcher and numerous other bird species vie for your attention. Bushbuck graze the tranquil river banks and legavaun bask on the muddy banks. On arrival at the Bat and the Boerboon, a secluded retreat on the banks of the Geelhout, relax at the pool, paddle the still waters in a canoe, take a stroll through the fynbos thickets or simply sit and chill as your lunch is prepared. Enjoy calamari starters followed by a full, traditional South African braai (barbeque) and a sumptuous dessert to end this awesome meal. At your leisure, board the barge for another mellow cruise back toward St Francis. RiverBreak has been used successfully for team building activities, birthdays and functions, corporate outings, family gatherings or simple private excursions.

AVAILABLE FOR TEAM BUILDING, CORPORATE FUNCTIONS, BIRTHDAYS, ETC.
